

Spin Master Amends and Restates Credit Facility

Moves from Secured to Unsecured Facility and Extends Maturity

TORONTO, Sept. 29, 2021 /CNW/ - Spin Master Corp. ("Spin Master" or the "Company") (TSX: TOY) www.spinmaster.com, a leading global children's entertainment company, today announced that it has entered into an agreement with a syndicate of lenders to amend and restate its existing credit facility.

Under the agreement, Spin Master's existing US\$510 million five-year secured credit facility was amended and restated as an unsecured five-year revolving facility of the same amount. The new maturity date of the facility is September 28, 2026.

The Company has commitments from seven financial institutions. The syndicate includes HSBC, which led the process as administrative agent, as well as RBC, TD, National Bank, BMO, CIBC, and Scotia.

Spin Master intends to draw against the facility to fund operational requirements and growth opportunities, including potential acquisitions.

"Our syndicate of banking partners continue to show strong support for Spin Master and we would like to thank them for demonstrating their confidence in our business," said Mark Segal, Executive Vice President and Chief Financial Officer. "The new facility provides us with increased financial flexibility and positions our capital structure favourably as we continue to pursue our organic and acquisition driven global growth strategy across our Toy, Entertainment and Digital Games creative centres."

About Spin Master

Spin Master Corp. (TSX:TOY) is a leading global children's entertainment company creating exceptional play experiences through a diverse portfolio of innovative toys, entertainment franchises and digital games. Spin Master is best known for award-winning brands PAW Patrol®, Bakugan®, Kinetic Sand®, Air Hogs®, Hatchimals®, Rubik's Cube® and GUND®, and is the toy licensee for other popular properties. Forward-Looking Statements

Certain statements, other than statements of historical fact, contained in this press release constitute "forward-looking information" within the meaning of certain securities laws, including the Securities Act (Ontario), and are based on expectations, estimates and projections as of the date on which the statements are made in this press release. The words "plans", "expects", "projected", "estimated", "forecasts", "anticipates", "indicative", "intend", "guidance", "outlook", "potential", "prospects", "seek", "strategy", "targets" or "believes", or variations of such words and phrases or statements that certain future conditions, actions, events or results "will", "may", "could", "would", "should", "might" or "can", or negative versions thereof, "be taken", "occur", "continue" or "be achieved", and other similar expressions, identify statements containing forward-looking information. Statements of forward-looking information in this press release include, without limitation, statements with respect to changes to the Company's credit facility, intended use of the Company's credit facility, and financial position, capital structure and global growth strategy.

Forward-looking statements are necessarily based upon management's perceptions of historical trends, current conditions and expected future developments, as well as a number of specific factors and assumptions that, while considered reasonable by management as of the date on which the statements are made in this press release, are inherently subject to significant business, economic and competitive uncertainties and contingencies which could result in the forward-looking statements ultimately being incorrect. In addition to any factors and assumptions set forth above in this press release, the material factors and assumptions used to develop the forward-looking information include, but are not limited to: ability of factories to manufacture products, including labour size and allocation, tooling, raw material and component availability, ability to shift between product mix, and customer acceptance of delayed delivery dates; that the program designed to gain operational efficiencies will achieve the desired results; that the steps taken will create long term shareholder value; the expanded use of advanced technology, robotics and innovation the Company applies to its products will have a level of success consistent with its past experiences; the Company will continue to successfully secure broader licenses from third parties for major entertainment properties consistent with past practices; the expansion of sales and marketing offices in new markets will increase the sales of products in that territory; the Company will be able to successfully identify and integrate strategic acquisition opportunities; the Company will be able to maintain its distribution capabilities; the Company will be able to leverage its global platform to grow sales from acquired brands; the Company will be able to recognize and capitalize on opportunities earlier than its competitors; the Company will be able to continue to build and maintain strong, collaborative relationships; the

Company will maintain its status as a preferred collaborator; the culture and business structure of the Company will support its growth; the current business strategies of the Company will continue to be desirable on an international platform; the Company will be able to expand its portfolio of owned branded intellectual property and successfully license it to third parties; use of advanced technology and robotics in the Company's products will expand; access of entertainment content on mobile platforms will expand; fragmentation of the market will continue to create acquisition opportunities; the Company will be able to maintain its relationships with its employees, suppliers and retailers; the Company will continue to attract qualified personnel to support its development requirements; and the Company's key personnel will continue to be involved in the Company products and entertainment properties will be launched as scheduled and that the risk factors noted in this press release, collectively, do not have a material impact on the Company.

By its nature, forward-looking information is subject to inherent risks and uncertainties that may be general or specific and which give rise to the possibility that expectations, forecasts, predictions, projections or conclusions will not prove to be accurate, that assumptions may not be correct and that objectives, strategic goals and priorities will not be achieved. Known and unknown risk factors, many of which are beyond the control of the Company, could cause actual results to differ materially from the forward-looking information in this press release. Such risks and uncertainties include, without limitation, the magnitude and length of economic disruption as a result of the COVID-19 pandemic; and the factors discussed in the Company's disclosure materials, including the Annual MD&A and the Company's most recent Annual Information Form, filed with the securities regulatory authorities in Canada and available under the Company's profile on SEDAR (www.sedar.com). These risk factors are not intended to represent a complete list of the factors that could affect the Company and investors are cautioned to consider these and other factors, uncertainties and potential events carefully and not to put undue reliance on forward-looking statements.

There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Forward-looking statements are provided for the purpose of providing information about management's expectations and plans relating to the future. The Company disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise, or to explain any material difference between subsequent actual events and such forward-looking statements, except to the extent required by applicable law.
